I swear the following is true under Pains of Perjury:

A device was placed on my right ear drum and orbit, which has been being used AS A torture device

sending in a audio signal coupled with a video signal on my frontal cortex.

The device was used to steal, to stay ahead of everything I do. The device sends R.F signals known to the State of California as cancer causing. Further the device is being used to enslave and prevent me from having a normal life. The defendants have used it to put my writings and likeness in entertainment, movies, and music.

They have sabotaged my education to 5 universities by holding government financial aid money. The device is further used to manipulate brain patterns sending in sexual signals with the defendants on a live feed in what I have told to stop. Through manipulating nerves that the brain reads it cause an erection and I was forced to ejaculate. The device sends in everything I see to a screen which has been devoted to me. The defendants have leased and bought property's around my house where they folk and use multiple assets to monitor and harass me. The defendants on a 24 hour cycle constantly harass me, AS well AS stop my phone, emails, and with search engine optimization send my searches

and attempts to get a lawyer to litigate with a conflict of interest. Hold my phone calls and through using the device log in to my password's email account and erase any communication with my business, School, anything that will benefit including attorneys. The defendant's name (red false) charges in the district court against me all which were dismissed and have used this device for the gaining of evidence and withheld at trial. The defendant!

As Homeland Security and United States Air Force have walked into my car's appointments placing Dr's with a conflict of interest in my appointments. The device can further effect blood pressure and other hormones and may function on a Bluetooth wavelength and is dangerous to my health. At this time I have evidence that the defendants not being attorneys represented themselves as an attorney and stood in at a hearing in Superior Court in Middlesex County, Massachusetts further a Harvard Physch doctor with I believe to be law Enforcement stood in as my attorney and am requesting audio tapes. The State of Massachusetts has used this device knowingly as recent as 3 months ago at the Middlesex Jail Prison where an x-ray machine at the door see's it upon my arrival. Further due to a conflict of interest with the city of Somerville

Police reports were never filed as a conflict of interest regarding, my dog's eyes being cut which is on video (Exhibit 1) including vandalism to my Post, harassment and the use of the section 12 system was used as retaliation to silence me, however everytime Doctors cleared me of any Psychiatric Illness. One time I had to file with the Plymouth County Court which 3 times I've had clerks refuse to file papers properly at all. Due to the fact I'm the great grandson to F.D.R. a political scandal exists and a conflict of interest with Michelle Obama who used this device to quote lyrics at the Democratic National Convention a conflict of interest exists with possible Judges and administration would like to make the court aware of. Further the device has been used for advertising to steal lyrics put in Grammy winning songs, Oscar winning movies for my likeness and I cannot get a fair trial with it. Further the H.B.T.A. is used constantly stopping there trains at Harvard on the Park St the state house and is used to allow the defendants to stay ahead, harass me as it reads thoughts. As the Police with several politicians and elite members of Hollywood and corporations are constantly using the device it violates my rights has no known health reasons and was placed without my knowledge I would like it off

I have concerns of the these people being in Government or Informants in there work like using it there private life as well as multiple people all the way to elementary school in Lexington Massachusetts have approached me about it, and the device is gloried in music video's and I'm a student at Berklee School of Music where the Department of Education is now with holding my Pell Grant and Aid to get me to quit. I was also taken from Mass General Hospital and sent to Ft. Devens After a defendant known AS Kim Kardashian with the Middlesex County Sheriffs Office's. Officer Hallis showed up at my Doctors Appointment. I was held against my will AND released the next day AND cleared. Further Homeland Security, and the Air Force in Uniform supervised me AS well.
